

15th ANNUAL

UCSF Techniques in
Complex Spine Surgery Course

LAS VEGAS, NEVADA

The 2025 UCSF Techniques in Complex Spine Surgery Course is a two-day course emphasizing pioneering trends in spinal surgery. This course is designed to be interactive with didactic lectures given by leaders in the spine community. Participants will review surgical principles and techniques in the treatment of spinal deformities and tumors. As a result of the case conferences with national and international leaders in spine surgery, residents, fellows, and surgeons with less than an advanced level of experience will have improved skills in cases dealing with complex spinal deformities.

TARGET AUDIENCE Orthopaedic and neurosurgeons as well as their clinical support team and surgeons in training in the specialty of spine surgery.

REGISTRATION FEES

Physicians	\$975
Nurses/APPs/Other Health Care Professionals	\$875
Residents/Fellows	\$350
