

Dear Exhibitor Representative,

I am writing on behalf of Drs. Mary Nakamura, Lianne Gensler & Brett Dietz to invite you to exhibit for the upcoming UCSF Continuing Medical Education course: Rheumatology Board Review and Clinical Update. The course will be held August 20-22, 2026, at the UCSF Mission Bay Conference Center.

The course will present major clinical topics in rheumatology to assist physicians in preparing for the American Board of Internal Medicine (ABIM) Subspecialty Examination in Rheumatology and practicing clinicians seeking to improve their care for rheumatology patients.

Trainees preparing for their initial board exam and rheumatologists seeking ABIM recertification are the target audience. Diagnosing and managing complex and unusual clinical problems will be emphasized; an overview of significant advances related to clinical rheumatology will also be included. The course is accredited for 25 AMA PRA Category 1™ credits through the UCSF Office of Continuing Medical Education, an ACCME provider accredited with commendation. Based on past events, we expect more than 150 participants.

For additional information, please visit the course website:
<https://virtualce.ucsf.edu/Rheumatology-2026>.

We welcome your participation as an exhibitor in this program. The exhibit fee for this 2.5-day course is \$4,500 and includes a table in the exhibit hall where conference breakfast and breaks are served, and two company representative badges.

All exhibitors who have completed and submitted their Exhibitor Agreement and paid their exhibit fee before the syllabus print date of August 1, 2026, will receive acknowledgment in the program syllabus, slides shown during conference breaks, and an announcement from the podium.

If you are ready to exhibit, please reply to this email, and I will send the exhibitor agreement along with a link to register online. We thank you in advance for considering and supporting this educational program.

Sincerely,
Rob
