

August 26, 2026

513 Parnassus Avenue S257
San Francisco, CA 94143

Dear Medical Company Representative:

We are writing to extend an invitation exhibit at our upcoming **UCSF Breast Imaging CME Course** that has been scheduled for **February 14-19, 2027** on the Big Island of Hawaii.

The course faculty will include six speakers; four UCSF Breast Imaging faculty, and two guest faculty. Courses are half-day morning sessions with didactic lectures, case reviews and faculty Q&A panels. We are expecting about 80 attendees.

We write to invite you to exhibit at the course. Exhibitors will have the opportunity to discuss their products and services with attendees during the morning breakfast time and mid-morning recess, as well as throughout the morning lecture sessions. The exhibit fee for this course is \$2,750 and includes a 6-foot table display for all five mornings at the course.

A copy of the program is included so that you may review the course content and make your determination; as well as a copy of the Exhibitor Agreement for your convenience. The course webpage is <https://ucsf.cloud-cme.com/breast-imaging-february-2027>.

We look forward to your participation, and thank you (in advance) for supporting our course.

Sincerely,

Jessica Hayward, MD
Course Chair
Professor of Radiology,
Breast Imaging Division

Bonnie Joe, MD PhD
Edward A. Sickles Distinguished Professor
Professor of Radiology,
Breast Imaging Division
